Qty Weapons	Range	Shots	Pen	Special
1 30 CWT Truck	Wheeled	10	6+	
<b>Tow:</b> Light howitzer, light or medium anti-tank gun, light or heavy anti-aircraft gun				

### 25-pdr AT shell

The 25-pdr can shoot either HE or AT - if put into ambush the player must specify which kind of shell is loaded

### Assault

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter

scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

### **Fixed**

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

### **Flak**

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of site ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

### **Gun shield**

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

### **HE (1")**

(p68) PEN: +1, PIN: D2 (D3 if in building) - Infantry and artillery can go *down* to halve the hits taken

### **HE (2")**

(p68) PEN: +2, PIN: D3 (D6 if in building) - Infantry and artillery can go *down* to halve the hits taken

### **Howitzer**

(p71) Can either shoot directly at a target drawing its line of fire 'over open sights' in the normal way, or it can shoot indirect fire. When using indirect fire, a howitzer has a minimum range; when firing over open sights it has no minimum range.

### **Indirect fire**

(p71)

### **Recce**

(p118)

### **Scary Blighters!**

Any enemy unit fighting Ghurkas in close combat will halve its total number of attacks against the Ghurkas (rounding up)

### **Sniper (Sniper with rifle & pistol- Spotter with pistol)**

(p91) When a sniper shoots using a Fire or Ambush order, the player can decide to use his scope. Rifle range changes to 36". If target is within 12" the shot misses automatically. Shot ignores negative to-hit modifiers except pinning markers and for missing assistant. Shot ignores gun shield and extra protection rules. If successful, always counts as exceptional damage and can pick any model in the unit. When not using scope, all members of team can fire any weapon they have and

in assault can use the assault rule if pistol/submachine gun.

### **Team (2 men)**

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

### **Team (3 men)**

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

### **Tough Fighters**

(p91) When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

### **Up and at em**

If the army has this rule then any order given to make an **assault** is automatically treated as having been passed - the unit is assumed to have rolled whatever order die score is needed to pass its order. This rule does not apply to Inexperienced troops - including any units that start out as 'green'

### **Vulnerable**

Because of the riveted construction, all shots to the side and rear of the vehicle get an additional +1 penetration modifier

### **PickList**

British 30 CWT Truck	2
British Artillery Forward Observer	1
British Boys anti-tank rifle team	1
British Humber Armoured Car Mk II	1
British Infantry with Rifle	39
British Jeep	1
British Light howitzer	1
British M3 Stuart I	1
British Medium Mortar team	1
British NCO with Submachine gun	5
British Second Lieutenant	1
British Sniper team	1
