## SPECIAL RULES

### **Assault**

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

### **Blind Obedience**

SS officers do not benefit from the Blitzkrieg Army Special Rule on page 17 of *Armies of German* book.

### **Fixed**

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

### **Flak**

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of site ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

### **Flamethrower**

(p67) Flamethrowers never suffer to-hit penalties for cover or Down. Hits multiplied into D6 (D6+1 for vehicle flamethrower). Always hits top armour. No -1 PEN for long range. Gun shield and extra protection rules do not apply. Units hit take D3+1 pins and must always check morale (if fail, then destroyed). Flamethrower rolls D6 - on 1 it runs out of fuel. When rolling to damage vehicle equipped with flamethrower, add +1 to damage effects chart.

### **Green**

(p90) Green units are inexperienced with morale rating of 8. The first time the unit suffers a casualty roll a die. On a roll of a 1 the unit suffers an additional D6 pin markers and goes *Down*. On a 2, 3, 4 the unit fights on. On a 5 or 6 the unit is immediately up rated to Regular with morale value 9 for the rest of the battle. There is no further effect.

### **HE (3")**

(p68) PEN: +3, PIN: D3 (2D6 if in building) - Infantry and artillery can go *down* to halve the hits taken. 10+ hits on building collapses it and kills all inside.

### **Indirect fire**

(p71)

### **Multiple launcher**

(p72) Counts as a heavy mortar, but its chance of hitting never gets any better than a 6. All units with 6" of the target and not entirely within the weapon's minimum range can be hit.

### **One-shot**

(p72) This is a disposable weapon that can be fired only once per game. Once fired replace the model with another model that does not carry the disposable weapon

### **Shaped Charge**

(p73) Never suffer the -1 penetration modifier for firing at long range.

### **Shirkers**

(p91) Shirkers must always take an order test when given an order, even where they are not pinned, and always count pinned markers as double.

### **Stubborn**

(p91) If forced to take a morale check, they ignore negative morale modifiers from pin markers. Remember that order tests are not morale checks.

### **Team (2 men)**

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

### **Team (4 men)**

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Pick List
